

# Master of Economics

(Applied Economics; Quantitative Economics)

Department of Economics, National University of Singapore

## Two Tracks

- Career-Oriented Track: Applied Economics
- Academic-Focused Track: Quantitative Economics

## Why us?

- Learn cutting edge economic theory and quantitative methods at one of the best economics departments in Asia.
- Enjoy the resources of a world class university.
- Live in a truly global city where East meets West.
- Get a front seat view of economics and finance in action in a world financial centre.

## Placement

Our graduates have been admitted into top PhD programmes in the world and employed by government agencies, investment banks, consulting firms in Singapore and throughout the region.

## Admissions

Applicants should have an NUS Honours degree (second class or above) or the international equivalent and produce evidence of English proficiency (e.g. TOEFL or IELTS result).

## Curriculum

Ten courses including three compulsory courses and seven elective courses.

## Duration of Programme

The programme can be completed in one year, or up to 36 months of full-time study or 48 months of part-time study.

## Tuition Fees

The tuition fees for the AY2024-2025 intake are S\$55,000 (inc. GST) for the entire programme.

## Scholarships and Prizes
